

tesa® 60953

Anti Slip safety solution - Fluorescent

tesa®'s Anti Slip Professional range is for use wherever safe footing is required. Anti Slip fluorescent is the ideal prevention of slipping and therefore helps to avoid accidents in the workplace. The very good adhesion of the product makes it suitable for demanding surfaces such as factory floors etc. The strong and durable adhesive coating provides a high Anti Slip effect for up to 1- 2 years in normal use areas. The Anti Slip tapes are hand tearable and no shrinkage occurs after application. This phosphorescent tape creates safe footing in shaded, or even totally dark surroundings / rooms.

Main Application

Everywhere safe footing is required.
